Job #:	10055243
Job Title:	WIC Coordinator
Employer:	HILL COUNTY
Location:	HAVRE MT, 59501
Description:	<p>This position is dependent on grant funding. Will promote individual and population health through advanced, comprehensive nutrition education initiatives such as maternal child nutrition, breastfeeding and health behavior-change programs in the (Women, Infants and Children) WIC setting for the diverse populations represented in Hill County. Responsibilities include developing, implementing, and evaluating programs and public health initiatives; establishing, leading, and maintaining community partnerships; and managing work plans and guidelines. Work involvement will include initiatives and projects at any given time and will change as the initiatives and projects evolve. MINIMUM QUALIFICATIONS include: 1. Must be a Certified Lactation Counselor (CLC) or be willing to obtain a CLC certificate. 2. Must have possession of a current MT driver's license. 3. CPR certified or willing to obtain upon hire. 4. Current Montana WIC Competent Professional Authorities (CPA) is required, or able to obtain within 6 month of hire. Full job description and application are available from Havre Job Service. Position closes June 20, 2014 at 5pm.</p>
Wage:	\$17.69 Hourly
